Dear General Walters:

It is indeed a pleasure to confirm informal arrangements made by
[redacted] your Agency representative here at the School,
and Lieutenant Colonel John X. Payne, Jr., USAF, Attache Course Chairman,
for you to present the graduation address to Attache Class 2-74 at 1000
hours on Friday, 5 April 1974, at the Defense Intelligence School.

Approximately forty-two students and their wives will be in attendance
and it will afford them an excellent opportunity to gain an understanding
of your views of the role of the Attache and his wife in today's Defense
Attache System.

We at the School are deeply appreciative of your continuing interest and
support in the training of our future attaches to the benefit of the
Intelligence Community in general, and our two Agencies in particular.

Lieutenant Colonel Payne will serve as contact officer and can be reached
at 433-2986 or 2987 in the event any assistance is required.

Sincerely,
